OBJECTIVE

Motivated web developer and graphic artist with a BSIT degree, seeking a full-time position to leverage my expertise in Java, Svelte, JavaScript, WordPress, and graphic design in collaborative tech projects. With a strong background in web development, digital communication, and project management, I am eager to tackle challenges and contribute to innovative solutions in a dynamic team environment.

WORK EXPERIENCE

CreativBlox

Junior Graphic Artist | April 2018 & May 2019

- Developed innovative graphic designs for various projects, collaborating with clients to enhance brand identity.

Sangguniang Panglungsod ng Panabo

Special Program for Employment of Students - Admin Aide (2018-2023)

- Assisted in administrative tasks, supporting office operations and community projects through effective organization.

DNSC Public Information Office

Programmer(Intern) | February - May 2024

- Contributed to software development projects, enhancing digital communication tools for the university's public information initiatives.

Freelance Web Developer & Graphic Artist

Web Developer | 2020 - Present

- Designed and built user-friendly websites, ensuring optimal functionality and aesthetics for diverse clients.

Graphic Artist | Present

- Create custom graphic designs for clients, focusing on unique branding solutions and visual storytelling.

Jotform

Part-time Technical Support Specialist | July 2024 - Present

- Provided technical assistance and support to clients, troubleshooting issues and ensuring optimal user experience with technology products.

CERTIFICATIONS AND ELIGIBILITY

- CS Honor Graduate Eligibility (PD907)-Professional
- National Certificate II Computer System Services
- Cisco Networking Academy - Networking and Cybersecurity Essentials
